WE NEED YOU!

_____ **High Holiday Junior Congregation** – Assist our Religious School teachers on Rosh Hashanah and Yom Kippur mornings in the kindergarten – 3rd grade Jr. Congregation activities and prayer service. All the planning is done for you. We just need extra hands to help out. This is for the 8:30 am service only.

_____ **Temple Rededication Family Fun Day** – Extra hands needed to help out at the family celebration of our new Temple after each session of Religious School on a Sunday in February 2011. We need lots of help that day.

_____ **Arthur Tirsun Education Shabbat Program** — Help create class gifts in conjunction with Education Shabbat weekend in April. Not time consuming. Help thank our wonderful faculty.

_____ **Fundraising/ Passover Candy Sale** — Come and help sort & bag candy for delivery to students. Help coordinate other fundraising opportunities. Additional income will supply the school with the “extras”!

_____ **Mitzvah Day Co-Captain/ Coordinate Religious School Project** — Many levels of opportunity; do a little or a lot. Families put the lessons into action on the best day of the school year.

_____ **Social Action** — Help plan and implement religious school involvement in community service opportunities. My family would like to make the world a better place.
