TEMPLE BETH EL

We are Shelly Leibman & Judy Szatmary, new co-presidents of WRJ Sisterhood. We have a great year planned – special interest groups, wonderful programs and a chance to broaden your friendship circle. Our biggest task is to raise money to support our religious school and youth programs. This is done through our wonderful Gift Shop.

Please join a dynamic group, meet new friends learn & share a talent and be a significant force in making our Sisterhood the most active & successful in our region.

Please complete the registration by checking those activities in which you are interested.
