VOLUNTEERS, VOLUNTEERS, VOLUNTEERS

ROOM in the INN (RITI) 2011-2012

Once again we are faced with a cold winter that will arrive in December, and Temple Beth El, Temple Israel and the Jewish Community Center will be hosting homeless "neighbors" from Charlotte and Mecklenburg County. The RITI volunteers, for the last 15 years, have been nothing short of superb, helping out as overnight monitors, food preparers, food servers, doing set up (make beds, set up tables and chairs) and clean up (put beds away, clean kitchen), as drivers (pick up and drop off "neighbors"), breakfast makers, lunch makers, moving beds and doing any other tasks needing to be done. I'm sure this year will be no different. Temple members are always there when needed and our "neighbors" are always grateful for your generous sharing of time and treasures. Ask any previous volunteer how he or she feels after volunteering for RITI and you'll hear a resounding positive reaction. Helping others less fortunate than ourselves is truly a great Mitzvah, which we are commanded to do. Due to construction our dates for this year are limited, but we still need your help.

What are the needs this year? Volunteers to help in any of the categories listed above. Time involved: anywhere from an hour or two in the evening or an hour or two in the morning of the overnights to being an overnight monitor. All overnights will be held in Luski Hall in the TBE Education Building.

Dates are as follows:

December 17 Saturday Evening	**February 4 Saturday Evening**	**March 3 Saturday Evening**
December 18 Sunday Morning	**February 5 Sunday Morning**	**March 4 Sunday Morning**
December 24 Saturday Evening	**February 18 Saturday Evening**
